

## Speak Out - Sag deine Meinung

Media empowerment Project - Berlin

“Speak out” is initiated for new arrivals who wants to explore themselves through media. This project will offer the new arrivals to learn and to use the technical equipment in ALEX TV studio and produce 4 Live talk shows in ALEX-Berlin-TV.

Through this project new arrivals will also have chance to use this TV platform to tell their stories, share their experience.

In this project basically we will have two working groups.

- Contents Group
  - Media Group
- Content Group will meet (at least) once a week to work on these questions.
- Topic of the next talk show
  - Inviting the Guests - Selecting the moderator for the program,
  - Preparation workshop for Live talk show (two preparation workshops)
  - Organizing food
- Media Group will learn technical equipment including
- Camera operating (All 3 Camera works together at the same time)
  - Sounds
  - Lights
  - Studio preparation
  - Live streaming

For each talk show we'll have two workshops to prepare that. In these workshops participants will practice / prepare for the next live Talk show.

At the end of the project (June 2017), participants will get “Certificates of Studio training’

\*\*There is no financial support for the participants, Food will be served during the Workshops / Training / talk shows

Kind Regards
